

CARAT

C57

Even with proficient cutting and shaping techniques, the beauty of a diamond jewel always arises from the clarity and purity of the original rough crystal. The source has to be perfect if you want to reach the magic and sound purity. The transparency of The Carat C57 CD player is a miracle of precision and clarity. It faithfully reproduces reality of the original musical performances. You are not listening a CD anymore... You are part of a vivid live concert.

Specifications
