

Norstone wall mounts

Because a flat screen TV becomes a piece of art once wall mounted, NorStone Mount offers a line of truly universal plasma and LCD brackets. All NorStone Mount brackets combine a great resistance to loading, a unique ease of use, and a reinforced safety (featuring locking systems).

SLIM

SLIM 75100

LCDs prices are going lower and lower. It was time to release a light, strong and cost-efficient LCD wall mount that may be affordable for a wide variety of users. Slim 75100 is the thinnest bracket on the market at this price tag.
