

**Let the luxurious style of mythic Theaters enter your home.**

The Movie Palace Premium is the best choice for dedicated rooms. It's a fixed frame screen with high quality screen material. The large black frame, made of aluminum and covered with velvet, maintains the tension of the screen material with a new attachment system and ensures a perfectly flat surface. The velvet finish strengthens the image contrast and avoids undesirable reflection. Movie Palace Premium is also available with Acoustic screen material.

Easy to install

Perfect tension

Fast & safe clipping system

Velvet finish
